Sir

The bearer of this, Mrs Ann Welsh, is a member of our Church; I have known her many years & can assure you she is deserving of any assistance, the church can afford her. Nothing but real necessity & infirmity induces her present application.

I am Sir Yr mo. hble servt.

Sir — The bearer Mary Munroe is the poor Woman I recommended to you Charity last year, and also do this, as all the summer she and her three Children has been afflicted with the Ague and one of them has had the misfortune to sprain its Leg, which makes her a great object of pitty, and worthy of the benefit of St. Peters Church Charity as she belongs to that Church —
